**ZHANG ZHAN**  
KINA

## Dear President Xi

Zhang Zhan typifies the courage of investigative journalists who speak truth to power. Citizen journalists like her were the only source of uncensored, independent, and first-hand information about the coronavirus outbreak, publishing reports on social media and the internet despite constant harassment and repression. Yet, instead of being praised, Zhang Zhan received four years' imprisonment for daring to report what she saw. If the Chinese authorities are serious about combating Covid-19 and preventing similar outbreaks from happening again, they must stop censorship and respect freedom of expression – free Zhang Zhan immediately and unconditionally.

**Yours sincerely**

**MOHAMED BAKER**  
EGYPTEN

## Dear President

As a human rights lawyer, Mohamed Baker helps the people who need him most – those who have been marginalized and jailed unfairly. Now Baker himself has been locked up unjustly. Falsely accused of terrorism, Baker was never put on trial. Instead he was thrown in jail where prison authorities are confining him to his cell round the clock and cruelly refusing him a bed, mattress, books, newspapers – even family photos. Defending people’s freedoms should not cost him his own. I ask that you release Mohamed Baker immediately and unconditionally, and close all investigations into the bogus accusations made against him.

**Yours sincerely**

**SPHERE**  
UKRAINE

**Dear Minister**

Sphere NGO in Kharkiv is one of the oldest LGBTI and women's rights NGOs in Ukraine. But as groups targeting LGBTI people have proliferated across the country, Sphere has endured dozens of discriminatory attacks. These include physical attacks, destruction of their property and homophobic chants hurled at supporters. I urge you to ensure that the attacks on Sphere – including the hate motive – are investigated, and those responsible are held to account in fair trials. Ukraine must build on its recent progress on LGBTI rights and end impunity for hate crimes.

**Yours sincerely**

**JANNA JIHAD**  
PALÆSTINA

## Dear Member of Knesset

Janna Jihad just wants a normal childhood. But the 15-year-old lives in the Israeli-occupied West Bank, where systematic discrimination and oppression are the norm. Having seen her own uncle killed by the Israeli military, Janna has been thrust into the world of citizen journalism, documenting and exposing the Israeli army's oppressive and often deadly treatment of Palestinians, including children. Israel has signed up to the Convention on the Rights of the Child, yet doesn't extend those protections to Palestinian children in the Occupied Palestinian Territories.

Today, Janna's principled journalism has marked her out for harassment and death threats. I call on you to end discrimination against Janna, and to meet your obligations under the Convention by protecting her and other Palestinian children from harm.

**Yours sincerely**

**CIHAM ALI**  
ERITREA

## Secretary of State

Ciham Ali, a US citizen born in Los Angeles and raised in Eritrea, has been missing since 8 December 2012. The teenager, who dreamt of becoming a fashion designer, was arrested at the Eritrean border when she was 15. Her arrest appears to be in retaliation against her father's suspected involvement in a coup attempt on the Eritrean government. Nine years on and no one knows where Ciham is. Eritrea is notorious for imprisoning people in underground containers where they torture, starve or even kill them. The US government must act now. Please use your influence and speak out for Ciham: demand her immediate and unconditional release.

**Yours sincerely**
