

Palácio Presidencial  
Cidade Alta  
Rua 17 de Setembro  
Luanda  
Angola

Your Excellency

I urge you to use your power to ensure that Ana da Silva Miguel AKA 'Neth Nahara' is immediately released, since her conviction and ongoing arbitrary detention stem solely from the peaceful exercise of her human rights, including to the right to free-dom of expression. Furthermore, Neth Nehara should be granted regular and unfettered access to her medication and adequate healthcare, including, if necessary, treated outside prison.

Yours sincerely
